- **Spiti:** Routes may involve landslides, slush, broken mountain roads, water crossings, and rerouting based on safety and local conditions.
- **Leh:** Routes may involve high passes, weather closures, military or civil restrictions, local union rules, and permit-related adjustments.
- TMA reserves full rights to modify route flow, halt points, overnight stays, sightseeing order, support structure, or movement plan whenever required for safety and operational reasons.
- No refund or compensation shall be applicable for route changes, stay changes, administrative closures, permit delays, or safety-based execution changes.

- Both Spiti and Leh are high-altitude destinations. Riders may travel between approximately 12,000 and 18,000 feet depending on route design.
- If a rider develops Acute Mountain Sickness (AMS), is advised by medical personnel not to continue, or voluntarily withdraws from the expedition, return transport, hotel, evacuation, or alternate logistics costs must be borne by the rider.
- No refund for unused services will be provided in such cases.
- TMA reserves the right to discontinue participation of any rider on medical, safety, or behaviour grounds.

6. Mandatory Riding Documentation
